BINTA KANDE

Your branding on one page

A clear message before automating anything.

A blurry message, published everywhere, stays blurry. Fill in this page in 30 minutes: it becomes the base of your website, your content and your prompts.

The 8 questions

Question	My answer
Who do I talk to? (a specific person, not “everyone”)	
What problem do I solve for them?	
What do I concretely do for them?	
What sets me apart from others?	
3 words that describe me (and 3 that do not)	
My tone: how do I speak? (warm, direct, expert…)	
A proof I can show (result, experience, testimonial)	
The action I want the person to take next	

Your positioning sentence

1. I help [who] to [result] through [what I do].
2. Unlike [alternative], I [my difference].
3. Read it aloud: if a stranger understands, it works.

Checks
