BINTA KANDE

Mini brief for your first AI agent

One page to describe what the agent must do.

Fill in this page before talking to a provider, or with me. The more precise the description, the more useful the agent will be.

Your agent in 8 lines

Line	What to write
The task	What must the agent do, in one sentence?
The trigger	What starts it? (an email, a form, a date)
The information	What must it rely on? (documents, prices, procedures)
The tools	Where must it act? (email, calendar, CRM, spreadsheet)
The rules	What it must always do, what it must never do
The cases to check	When must it ask you before acting?
The tone	How must it speak? An example of a good answer
Success	How do you see that it works? (time saved, fewer oversights)

Before starting

- [ ] The task is repetitive and follows the same steps
- [ ] I know where the useful information is
- [ ] I decided what stays to be approved by a human
- [ ] I know how I will measure the result
