Webinar countdown plan: from D-14 to D+7

Everything that needs to be in place, at the right time.

A webinar is not decided on the day. Here is the schedule I follow every time. Tick as you go.

D-14: lay the groundwork

- [ ] Define the goal (sign-ups, calls, sales)
- [ ] Choose the topic and the promise, without exaggerating
- [ ] Set the date and time
- [ ] Create the sign-up page: one message, one button

D-10 to D-7: spread the word

- [ ] Announce on your social media and by email
- [ ] Turn on the automatic sign-up confirmation
- [ ] Prepare the slide outline: one idea per slide

D-3 and D-1: remind

- [ ] Email reminder
- [ ] WhatsApp reminder
- [ ] Test sound, image and screen sharing

Day D

- [ ] Announce the plan at the start
- [ ] Keep to the schedule
- [ ] Keep time for questions
- [ ] End with a single clear action

D+1 to D+7: follow up

- [ ] Send the replay and a thank-you message
- [ ] Offer the action: a call, a document, an offer
- [ ] Follow up people who signed up but did not attend
- [ ] Review: sign-ups, attendees, actions

An honest note

No one can guarantee a number of attendees. The goal is to bring together everything that improves your chances.
